February 1878.

From

Colonel E. A. Ford R.E.

Chief Engineer D.P.W.

Sir,

I beg you will kindly consider the following:-

I was appointed temporarily an Assistant Engineer 3rd Grade in the Department of Public Works by G. O. No. 3029 of the 11th November 1876, and my services were placed at the disposal of the Collector Kurnool to whom I reported myself at Kurnool on the 18th November and was directed to proceed at once to inspect Relief

Works in the D. and work
out the line to be
the Pamulkotta and Kalwa, the
Kalwa and Gummy and other Roads.

From the beginning of January
when the Relief Works of the District
were organised or devided into 3
Sections - I was directed to take up
the position of "Assistant Engineer
to No. 1 Section" and in that position
was directly under the orders of
Mr. B. H. Clogstoun Assistant
Collector in charge of the Section
and from whom I received the
enclosed certificate. In this
Capacity, I had professional
Charge of about 130 miles of new
Roads in the Pamulkotta,
Pattikonda and Koilkuntla
Taluqs besides Village improvements
and

and other works.

I have passed the necessary
Examination for admission to the
D. P. W. as Assistant Engineer
at the Civil Engineering
College Madras. I have mislaid
the original certificate, but
enclose a duplicate certificate
from the Principal, Civil
Engineering College

I would esteem it a very
great favor if you would kindly
give my application for a per-
manent appointment in the
grade in which I now serve
your favorable support and
forward it for the favorable
consideration of Government.

I have the honor to be,
Sir,
Your most obed't Servant
