GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

1st March 1878, No. 1,032 W.

General-
Establishment.

Read the following paper:—

No. 3. From Colonel P. O'CONNELL, R.E., Superintending Engineer, Chingleput, to the Chief Engineer, Public Works Department, dated St. Thomas' Mount, 14th February 1878, No. 673.

In reference to G.O., No. 330 W, dated 21st January 1878, I have the honor to forward copy of a letter received from Mr. Sub-Engineer Donaghue suggesting that the officers and subordinates in Government employ purchasing Dr. Moore's Manual of Family Medicine for India with accompanying medicine chests, be allowed the privilege of pay for the same in equal monthly instalments. Under the circumstances stated by Mr. Donaghue, I would recommend the concession sought to your favorable consideration.

From Mr. W. F. DONAGHUE, Sub-Engineer, Executive Officer, No. 3 or Chingleput Range, to Colonel P. O'CONNELL, R.E., Superintending Engineer, Chingleput District, dated Camp at Chotapakam, 6th February 1878, No. 3,121.

With reference to your endorsement No. 455 on G.O., No. 330 W, dated 21st January 1878, I have the honor to select that you will be so good as to move Government to allow their officers and employes obtaining Dr. Moore's Manual of Family Medicine for India with the large chests intended to accompany the book, to pay for the same in six equal monthly instalments, commencing with the first instalment in the same month in which the purchase takes place. If this concession is made, I am quite certain that the demand for the chest will be considerable, while the boon conferred on those whose means are small will be greatly appreciated.

2. If I can procure the book and chest under the favorable terms suggested by me, I beg you will kindly get my name enrolled as a "would-be purchaser."

No. 4. ORDER THEREON, 1st March 1878, No. 1,032 W.

WHENEVER these medicine chests are required by the subordinates of the Public Works Department, the necessary advance may be made upon the authority of the District Engineer, and recovered in six equal monthly instalments, if the pay of the applicant does not exceed Rupees 250 per mensem; in three instalments if he has a salary of more than that amount.

2. The Government see no need for advances being made on account of the Manual.

3. As the Government consider that it is advisable to have a supply of the Medicine Chests in Madras, so that they may be obtained on the same terms as at Calcutta, the Surgeon General will be directed in the Public Department to take the necessary steps for at once procuring two dozen chests, and for arranging to have always some in stock. The Manual, it is observed, ~~should~~ ^{should} be procurable at the Madras Government Book depot. There also care should be taken to have in stock a sufficient number of copies to meet all demands.
