With reference to the Extract from
 Fort Saint George Gazette, which accompanied
 your endorsement No. 1651 of 22 Inst.,
 I have the honor to inform you that
 it is there stated that the date of my
 promotion is 1st September 1876.

In the Gazette, the date is 1st March
 and if this should be the actual date of
 my promotion, I have the honor to
 request that you will be so good as to place
 the following circumstances to the
 favorable consideration of Government.

Both Lieut. Henderson & myself
 entered the Department of Public Works
 on the same day, and as I am a
 senior to Lieut. Henderson in the
 Corps.

Corps. I took my place above him.
In December 1876, we were both pro-
moted to 1st grade Assistant Engineers, Temporary
with effect from 1st September 1876,
and as senior I took my place
above Mr. Henderson.

In Fort Saint George Gazette,
dated 28th December 1877, we are
both made permanent in our
appointments of Assistant Engineers
1st grade, but Mr. Henderson's
promotion is to be anti-dated to 1st
September 1876. and my promotion
is to be anti-dated to 1st March 77.

Thus Mr. Henderson is promoted
over me, and six months seniority
given to him.

I have great hopes that it was not
intended that I should lose a place
in the Department, and if it was done
by mistake, I would most respectfully
request that Government may rectify
the error and give me my former place

in

in the Department.

I have the honor to be
Sir
Your most Obedt Servt.
