GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

4th March 1878, No. 1,078 W.

General.

Establishment.

Read the following paper:—

No. 44. From E. H. PRINGLE, Esq., District Engineer, South Canara, to the Chief Engineer, Public Works Department, dated Camp, Someshwar, 14th February 1878, No. 86.

I HAVE the honor to report that I have temporarily sanctioned the employment of the Sub-Overseers stationed at the Sulliah and Siradi ghauts as disbursers of public moneys. The coolies at these places require weekly payments, and it is out of the question for the Divisional Officer or the Overseer to visit the spots once a week. It will be necessary, I think, to make these Sub-Overseers permanent disbursers, limiting their payments to Rupees 150 a-week, and I have therefore the honor to request your sanction to this.

2. In the Mangalore division a similar step must be taken if labor does not become more plentiful.

No. 45. ORDER THEREON, 4th March 1878, No. 1,078 W.

THE temporary arrangements reported by the District Engineer are confirmed.

2. Should it be found absolutely necessary a similar course may be adopted in the Mangalore range. But the Government desire that the arrangement shall not be allowed in any case to continue a day longer than can be avoided.

The employment of
Sub-Officers as Distillers is
in many respects objectionable,
but if it cannot be helped
there seems to be an end of the
matter.

The D. must, I think,
be left to make the best
arrangements practicable.

I should sanction
proposals, and ask D to
put a stop to the arrangements
as soon as practicable.
