PUBLIC WORKS DEPARTMENT.

4th March 1878, No. 1,030 W.

Read the following paper :—

No. 48. From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Chepauk, 26th February 1878, No. 210 W.

In forwarding a letter to your address from Mr. R. E. Norfor, Executive Engineer, 3rd Grade, now on furlough in England, received through his Agents, Messrs. Binny and Company, I have the honor to inform you that as a fact Mr. R. E. Norfor was allowed the usual subsidiary leave under Section 24 (a) of the Civil Leave Code with privilege leave rate of pay under Section 28 (d) I of the same code from the date of his relief in the Salem District, *i. e.*, (afternoon of the 17th September 1877) to the date of embarkation on the forenoon of the 22nd idem.

2. Mr. R. E. Norfor is mistaken in supposing that the rules admit of subsidiary leave being granted to the full maximum extent of 30 days. From the note at the head of Chapter VI of the Civil Leave Code, and also from Circular from the Government of India, No. 2,625, dated 16th August 1877, (printed with G.O., No. 109 W, dated 6th September 1877,) it will be observed that the grant of subsidiary leave must be limited to what is necessary for the purposes for which the subsidiary leave is granted.

3. In the case of Mr. C. H. T. Norfor referred to subsidiary leave was granted only from the 15th to the 17th August, so that this particular case does not appear to be altogether in point.

No. 49. ORDER THEREON, 4th March 1878, No. 1,030 W.

RECORDED, with the remark that Mr. R. E. Norfor's request is inadmissible under the rules.
