General.
Establishment.

Read the following paper:—

No. 90. From W. S. HARINGTON, Esq., District Engineer, Madura, to the Chief Engineer, Public Works Department, dated Madura, 20th February 1878, No. 381.

With reference to the recent orders of Government placing the Palace works under Major Vibart, I have the honor to request sanction for the employment of another Overseer in the place of "G. M. Soubroyaloo Naidu," exclusively employed on these works.

2. The allotted number of Overseers will be exceeded should you think proper to comply with my request, but in the interests of the district I must beg to be pardoned for making the application, work of all kinds being just now abnormally heavy and the number of subordinates, in my opinion, at all times insufficient.

No. 91. ORDER THEREON, 7th March 1878, No. 1,170 W.

THE District Engineer may employ an extra Overseer as a temporary measure, but the sanctioned scale of Overseers cannot be permanently increased.

2. The duration of the sanction should be reported for formal confirmation.
3. The extra charge should be debited to the Palace work.
4. This sanction has been registered as Provincial No. 83 W of 1877-78.
