GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

11th March 1878, No. 1,245 W.

General.

Account.

Read the following paper:—

No. 139. From W. S. HARRINGTON, Esq., District Engineer, Madura, to the Secretary to Government, Public Works Department, dated Madura, 27th February 1878, No. 394.

I HAVE the honor to inform you that a sum of Rupees 49-13-0, paid to the coolies who were engaged in taking service letters to me when on circuit in the Dindigul and Peracolum taluqs during last month, was entered in this office contingent bill and disallowed by the Examiner of Public Works Accounts, on the ground that the sanction of Government should be applied for to cover so heavy a charge for one month. I request that you will be pleased to authorise the Examiner to audit this charge.

2. There being no Post-offices in many of the places visited, and the march from Madura to the Goodalur ghaut being a very long one (138 miles by the way I went), the employment of tappal coolies was necessitated; it was not, and never will be, a permanent charge.

No. 140. ORDER THEREON, 11th March 1878, No. 1,245 W.

SANCTIONED, with the remark that the charge is very large and must be kept in future within smaller limits.

(True Extract.)

Secretary to Government, P.W.D.
