Read the following paper:—

No. 88. Endorsement of the District Engineer, Cuddapah, dated 1st January 1878, No. 2,534.

From H. LYON, Esq., Assistant Engineer, in charge Cuddapah Range, to Colonel A. S. MOBERLY, R.E., District Engineer, Cuddapah, dated Camp Gopaulpuram, 28th December 1877, No. 609.

In the list of promotions in the Engineer Establishment of the Public Works Department, which appears in the *Fort St. George Gazette* of Wednesday, December 26th, 1877, and at page 852, I notice the following:—

Names.	Present Grade.	Grade to which promoted.	Date of Promotion.
Mr. J. W. Martin...	Assistant Engineer, 1st Grade.	Executive Engineer 4th Grade.	1st September 1876.
" J. D. Grant, A.I.C.E. ...	Do.	Do.	1st March 1877.
" W. Hughes, B.A. ...	Do.	Do.	1st September 1877.
" J. C. Larnie ...	Do.	Do.	Do.
" J. M. Bell ...	Do.	Do.	Do.

All these gentlemen were junior to me until the 1st December 1877, when I most unfortunately incurred the severe censure of the Government and was reduced to the bottom of the list of 1st grade Assistants.

As I venture to presume that my promotion to 4th grade Executive was intended, and would have been notified in the Gazette under notice but for the circumstance abovementioned, and also that as a late Chief Engineer (Major-General Walker, R.E.,) wrote to me day or two before he left the country "that I was now in good repute and he should not wonder if I again passed over Mr. Brickwell who had not done well in Vizagapatam," my promotion would have been antedated as far back as any of the 1st grade Assistants now promoted.

I have therefore the honor respectfully to request you will be good enough to apply to the Chief Engineer for sanction to the arrears of pay (Rupees 100 per mensem) from the time it was intended my promotion should be antedated up to the 1st December last, the date of G.O., No. 1,901 W, and that intimation may be given me of the amount sanctioned.

SUBMITTED to the Chief Engineer, Public Works Department, for disposal.

(Signed) A. S. MOBERLY, Colonel, R.E.,
District Engineer, Cuddapah.
