The Secretary to Government,

Bangalore

Examiner's remarks.

1. The sum of Rs. 6400 entered under Repairs Military may be credited to the Reserve with the Chief Engineer for Buildings and Roads under the same head. The sum entered as expended under Tools and Plant Repairs is incorrect as the entire allotment under that head, viz. Rs. 150, was appropriated in April last by the District Engineer.
2. It is observed that the District Engineer does not state any thing in explanation of the necessity for modification of allotments in the place provided for the purpose.
3. The column of "available balance as it will be" under Proposals should be blank.
