Extract from Minutes of Proceedings of the Municipal Commissioners for the Town of Coonoor, dated 20th February 1878.

Paragraph 6.—“Read letter No. 46, dated 16th February 1878, from District Engineer, Nilgiris, forwarding G.O., No. 590 W, dated 5th February 1878, and requesting to be informed whether this Municipality can provide funds for the proposed additions to the Coonoor Dispensary according to plan submitted amounting to Rupees 2,600. The Commissioners regret they are not able to make any provision for building an European ward in the hospital, and they would call to mind that Lady Hobart was anxious to place funds at their disposal for this purpose, but that she was restrained by Government, who considered it was a public charge which should be borne by Government.
