At the request of J. D. Wilson Esq
Royal Soc^y Engineer, I this day
examined a Cheesnut CB horse
suffering from Paralysis of both
hind and fore extremities and
recommended that he be destroyed
as there is no chance of recovery.

The animal is in great pain
and is, and has been unable
to stand for several days -

My dear Dr Kirkwood

At your request I examined
the Cheviot gelding six years old
the property of Lt Wilson 21st Regt
(Royal Scotch Fusiliers) and declare
him unincumbered from Paralysis of
the hind quarters, or idiopathic -
disease of the Lumbosacral nerves.

For the purpose of identification
the horse has four white legs and
a very large blaze -

Yours sincerely
W. J. Mitchell

Petition of Captain J. R. Jackson,
Executive Engineer Baluchistan Division,
Military Works, Secy to Madras
Famine duty, Salem District, Madras.

1) That he brought down to Madras
two horses with him (both in perfect
health, having been paced a few
days previous to starting), and
that directly he arrived at
Salem, he was ordered out into
the District, to a village called
Punetamundram at the foot
of the Thevany Hills and that
owing to the exposure to heavy
rain and wet, one of his horses
became ill, and at length died;
having gone in the loins, vide
Veterinary Surgeon's Certificate attached.

2) That he had sold the 2
horses to an Officer Lieut. Wilson,
Royal Scots Fusiliers for Rs. 700/
conditionally that the 1st horse,
now dead should recover its health,
and that this Officer has paid

bought the 2nd for Rs 350/

That owing to the death of one horse and the sale of the other, the Government has been saved the sum of Rs. 406/ being the cost of carriage of the horses from Madras to Simritsir.

He therefore requests that Government will be pleased to sanction the payment of Rs. 350/ to the petitioner as compensation for the loss of his horse under the above mentioned circumstances.

of Government.

Same for the fact that Government have undoubtedly been saved the expense of carriage of the horses back to Simritsir, there is nothing in Captain Jackson's case to entitle him to compensation.
