No. 176. From Colonel A. S. MOBERLY, R.E., District Engineer, Cuddapah, to the Chief Engineer, Public Works Department, dated 19th February 1878, No. 3,080.

I HAVE the honor to bring to your notice that in November 1876 I appointed one Thimiri Gurusawmy Moodelli as a Sub-Overseer, 3rd Grade, and posted to Sidhout Range. He joined the range on the 2nd December 1876 and was on duty up to the end of the month. On the 1st January 1877 I suspended the man on account of certain charges brought against him, and dismissed him on the 29th March 1877 on his being convicted. In paragraph 3 of G.O., No. 1,278 W, dated 26th October last, Government remarked that they see no reason for interfering on his behalf who was a Local Fund servant. The man now claims subsistence allowance from 1st January to 29th March 1877, and I beg to request your orders if I am to pay the same to him.

No. 177. ORDER THEREON, 13th March 1878, No. 1,312 W.

THE Government do not consider that Thimiri Gurusawmy Moodelly should be granted any subsistence allowance during the period of his suspension. Although the Sub-Overseer was acquitted of the specific charges on appeal, his conduct was not, in the opinion of his departmental superior, the District Engineer, such as to entitle him to consideration at the hands of Government.

2. It is noticed that the Sub-Overseer was only appointed in November 1876. He joined his post in December of that year, and was suspended from duty the month following. He was dismissed the service in March 1877.

I don't think the draft order
tells down the form of the fact of
the man being exonerated from all
claim on appeal to the Secy.
I cannot quite read the subject but
but the facts w'd seem to warrant the appeal of his subs. allow.ce which
sh'd be stated in the draft.
The papers say nothing on
the subject. LK
