PUBLIC WORKS DEPARTMENT.

15th March 1878, No. 1,335 W.

General.
Establishment.

Read the following paper :—

No. 135. From Major H. R. MEAD, R.E., District Engineer, South Arcot, to the Chief Engineer, Public Works Department, dated Camp, Cuddalore, 6th March 1878, No. 334.

I HAVE the honor to request that under paragraph 1,* clause i of the Travelling Allowance Rules Mr. Evans' fixed station may be settled.

* Or chapter IV, section iii, paragraph 1, clause i, Government of India Code.

Mr. Evans, Assistant Engineer, is at present employed on the Poohiaur Bank Project, and is engaged in taking levels and surveys of portions of that river; his work necessitates his keeping up carriage for his tents, at the same time if his head-quarters is to be changed as his survey work goes on under the rules he will not and cannot draw travelling allowance. I request that Cuddalore may be considered his head-quarters so that when in the district and in tents he may draw travelling allowance; this I think he is fairly entitled to as his expenses are the same as if he was doing ordinary marches.

No. 136. ORDER THEREON, 15th March 1878, No. 1,335 W.
