GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

15th March 1878, No. 1,336 W.

General.

Establishment.

Read the following paper:—

No. 187. From W. S. HARINGTON, Esq., District Engineer, Madura, to the Secretary to Government, Public Works Department, dated Madura, 5th March 1878, No. 404.

I HAVE the honor to state that, finding that no house of any kind could be procured in Dindigul, I made Madura the head-quarters of Messrs. Scott, Sills, Taylor, and Davies from the date of their respective arrivals in this district.* Acting up to this sanction these officers have prepared and submitted their travelling allowance bills and inspection reports through me to the Examiner of Public Works Accounts month by month, but this officer objects to pass the bills till the sanction of Government is obtained for their head-quarters having been located at Madura. I request that you will be good enough to obtain this sanction accordingly, as the officers in question have been and are put to much inconvenience by the non-receipt of their just dues. I fear that I must take blame to myself for not having stated more definitely to Government than I find I have done, that in default of any house accommodation elsewhere I had no alternative but to make Madura the head-quarters of all four officers. I find that I made this statement regarding Messrs. Sills and Taylor in my No. 204, dated 13th November last, and I certainly imagined that I had made a similar one regarding Messrs. Scott and Davies, but I fear that most unwittingly and in the press of other business I must have neglected to do so.

* Mr. D. Scott arrived on the forenoon of the 11th October 1877.
Mr. F. Sills arrived on the forenoon of the 12th October 1877.
Messrs. J. D. Davies and C. Taylor arrived on the forenoon of the 4th October 1877.

No. 188. ORDER THEREON, 15th March 1878, No. 1,336 W.
