Sir,

Reference—Memorandum N^o 113 dated 23rd January 1878.

I have the honor to forward another Plan shewing sections of the whole building from Floor to Roof. The sections in former plan were on two different lines of the same room.

The cost of the enclosure will be somewhat increased by planking any higher than 9'-6" which was the height settled on after consulting the Messrsiff and obtaining his opinion of the sufficiency of the space.

I have the honor to be
