GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

15th March 1878, No. 1,344 W.

Buildings and Roads.

Civil Works.

Read the following papers:—

No. 199. From Captain R. R. E. BROCKMAN, R.E., District Engineer, Tanjore, to the Chief Engineer, Public Works Department, dated Camp, Capistalem, 9th January 1878, No. 19.

I HAVE the honor to forward, for the sanction of Government and for the necessary allotment of funds, the enclosed plan and estimate, amounting to Rupees 90, for constructing a culvert at the entrance of the compound of Government Telegraph Office at Negapatam, prepared at the request of the Telegraph Superintendent, who states that much inconvenience is felt at present for the access of carriages and carts to the premises of the Telegraph Office owing to a deep road drain passing the gate. I request therefore that early orders may be passed for the execution of the work.

2. The plan and estimate have been duly countersigned by the Telegraph Superintendent in token of his approval.

No. 199-A. From the same Officer, dated Tanjore, 11th February 1878, No. 316.

With reference to your memorandum, No. 380, dated 21st January 1878, I have the honor to inform you that the Vice-President, Municipal Commission, Negapatam, who was communicated with on the subject, states in his reply No. 347, dated 8th February 1878, that the Commissioners are not prepared to provide the culvert at the entrance of the compound of Government Telegraph Office at Negapatam referred to in your memorandum under reply.

No. 199-B. From the same Officer, dated Camp, Vaduvagudy, 6th March 1878, No. 501.

With reference to your memorandum, No. 914, dated 26th February 1878, I have the honor to inform you that the Range Officer, who was directed to report on the subject, states that the Government Telegraph Office at Negapatam was built in 1873, and he learns from the Vice-President of the Municipality that the road on the east side of the building was metalled in 1863, and that the road drain belonging to this road and for which the culvert referred to is intended existed prior to the construction of the Government Telegraph Office.

No. 200. ORDER THEREON, 15th March 1878, No. 1,344 W.

The plan and estimate of Rupees 90 for constructing a culvert at the entrance of the compound of the Telegraph Office at Negapatam are sanctioned, and funds are appropriated from the Reserve at the disposal of Government under Civil Buildings—
“Telegraph.”

2 PUBLIC WORKS DEPARTMENT, 15TH MARCH 1878, No. 1,344 W.

3. This sand on has been registered as Imperial No. 113 B of 1877-78.

District Engineer's Office
Dangere 11 February 1878

From

^{316/2}
Captain R.R.S. Brochu R.E.
District Engineer, Dangere

To

Colonel E.A. Ford R.E.
Chief Engineer D.R.
Buildings & Roads Branch.

Sir,

With reference to your memorandum No. 389, dated 21st January 1878, I have the honor to inform you that the Vice President, Municipal Commission, Negapatnam, who was communicated with on the subject states in his reply No. 347, dated 8 February 1878 that the Commissioners are not prepared to provide the fuel cost at the entrance of the Compound of Government Telegraph Office at Negapatnam, referred to in your memo under reply.

I have the honor to be
Sir

Your most obedient servant

Quell Maluay Captain R.E.

District Engineer

No 389 of 21/1/78

Circulated for
information with
reference to remarks on
the draft order in the
file.

The reply is to answer
the question whether the
M. are liable. If the drain
was made by them after
the fact built or provided
the building, I think the
M. are liable. But
it admits of argument -
if the drain was
always a necessity.

With a principle in
mind as to J. & J. ask
the J. & J. again whether
the drain exists before the
Govt. occupy.
