Read the following paper:—

No. 287. From Colonel F. J. MOBERLY, R.E., District Engineer, Bangalore, to the Chief Engineer, Public Works Department, dated Bangalore, 16th March 1878, No. 268.

I HAVE the honor to report that I have been summoned to defend a suit instituted by one Mahroo Saib who claims the land purchased for the engine-house and filter under the Ulsoor tank in this Cantonment.

2. The co-defendants are Mr. Standish Lee, from whom the land was purchased, and a pensioned Sheristadar. I have not been yet able to discover how the Government of Madras is involved in this suit, as I believe the District Engineer then in office here procured the land through the intervention of the Mysore Government.

3. The summons only reached me yesterday and I am summoned to answer it by the 28th. I have to beg early attention to my request to engage a Pleader if it be necessary. So far as I can gather in my office the suit is really against Mr. Lee's right to sell, but of this I can only be fully assured on my first attendance in Court which I propose to make in person.

No. 288. ORDER THEREON, 19th March 1878, No. 1,406 W.

ORDERED that the following telegram be sent:—

"Obtain legal advice for defence of suit on account of land purchased for Ulsoor engine-house and filter."
