PUBLIC WORKS DEPARTMENT.

19th March 1878, No. 1,414 W.

General.
Establishment.

Read the following paper:—

No. 296. From Colonel P. O'CONNELL, R.E., Superintending Engineer, Chingleput, to the Chief Engineer, Public Works Department, dated Camp, Ennore, 11th March 1878, No. 1,049.

I HAVE the honor to forward for your favorable consideration the enclosed copy of a letter, No. 834, dated 20th June 1877, from Captain A. C. Smith, R.E., Executive Engineer, who held charge of the Mount Range of this district last year, requesting that Tirumal Row, a writer in that Range Office, may be recommended for exemption from passing the Uncovenanted Civil Service Examination upon the grounds therein set forth. On this letter no action appears to have been taken by the late Superintending Engineer; but Lieutenant Martin, R.E., who was lately in charge of the range having drawn attention to it, and having himself favorably recommended the writer (*vide* copy of his letter enclosed), I forward the papers to you. From Tirumal Row's service book enclosed, it will be observed that he has continuously served in the department since February 1859 or for a period of nearly 20 years, and in consideration of the same, he may, I think, be granted the exemption for which he is strongly recommended by the officers under whom he has served.

- 1 Original petition from Writer Tirumal Row.
