REQUESTING the cancelment of the notification replacing the services of Mr. Unwin, as his services are urgently required.

P. W. D.

Note.

Mr. Unwin Executive Engineer 2nd Grade was replaced at the disposal of the Govt. of India early in February, his services being no longer required in Kurnool. The Govt. of India gave him six weeks leave, he has now reported himself at this Office en route to rejoin. The Chief Engineer suggests his retention in the Presidency as while Mr. Unwin makes no objection, and that the Govt. of India be addressed on the subject.

Mr. Unwin being an Executive Engineer of the 2nd Grade drawing the pay of the next higher Grade and being a healthy well qualified Officer would, the Chief Engineer believes, answer very well as a temporary arrangement to act as District Engineer of Cuddapah &c. in place of Colonel H.L. Morbery RE. now leaving for England on Medical Certificate
