GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

25th March 1878, No. 1,505 W.

Buildings and Roads.

* Civil Works.

Read the following papers:—

No. 346. From Captain R. R. E. BROCKMAN, R.E., District Engineer, Tanjore, to the Chief Engineer, Public Works Department, Buildings and Roads, dated Tanjore, 14th December 1877, No. 2,141.

As directed in G.O., No. 1,353, dated the 30th May 1876, I have the honor to forward, herewith, plan and estimate, amounting to Rupees 9,435, for constructing a new Sub-Magistrate's cutcherry and out-houses at Aranthy prepared in accordance with the standard plan for a third-class Taluk cutcherry, sanctioned in G.O., No. 786, dated 7th March 1877, with additional rooms for a Post Office and Sub-Registrar's Office.

2. A sketch showing the site selected for the building is also enclosed.
3. The plan and estimate have been countersigned by the Collector in token of his approval, and he desires that the work may be carried out as early as possible, as the Sub-Magistrate is very much inconvenienced by holding his office in the present building.
4. The work has been included as Item No. 4 under Original Works in the Provincial Budget for 1878-79, submitted from this office on the 13th November last.

No. 346-A. From the same Officer, dated Tanjore, 2nd March 1878, No. 484.

With reference to your memorandum, No. 54, dated 5th January 1878, I have the honor to forward, herewith, section of trial-pits sunk for foundations of the Sub-Magistrate's cutcherry and out-buildings at Aranthy. The Range Officer reports that the trial-pits have been sunk to the depth of six feet. The soil the whole way is a stiff clayey loam of light red color and good for building upon, but at a depth of four feet water oozed in very gently owing to the tanks adjacent being all full. The site plan which accompanied your letter under reply is herewith returned.

No. 347. ORDER THEREON, 25th March 1878, No. 1,505 W.

The plans and estimate of Rupees 9,365 (as corrected in the Chief Engineer's Office) for constructing a Sub-Magistrate's cutcherry and out-buildings at Aranthy in the Tanjore District, are sanctioned.

2. No funds are available for the work at present.
3. This sanction has been registered as Provincial No. 315 B of 1877-78.
