Civil Works.

Read the following paper:—

No. 387. From Lieutenant-Colonel W. S. DREVER, Acting Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 15th March 1878, No. 1,172.

I HAVE the honor to forward, for the consideration and orders of Government, the accompanying correspondence, number and date as per margin, enclosing a Public Works Department plan and estimate with specification report, amounting to Rupees 145, for converting the old Munsif's Court-house at Bezwada in the Kistna District into a Police Station and Lock-up during 1878-79.

2. The Police accommodation in the new Taluq Cutcherry is only sufficient for the Sub-Jail and Treasury Guards. A separate building for use as a Police Station-house is consequently very necessary and that now proposed for conversion in the middle of the town is well suited for the purpose. The District Magistrate and Collector approves, and I believe the Public Works Department have no objection to the proposal, as the estimate was prepared by that department and the work is to be carried out by them.

3. Should this proposal meet the approval of Government, I beg that sanction be accorded for the transfer of the building in question to the Police Department, as also to the estimate (Rupees 145) for the requisite alterations, the necessary provision of funds being made in the Public Works Department Budget for 1878-79.

No. 388. ORDER THEREON, 26th March 1878, No. 1,536 W.

THE plan and estimate of Rupees 145, for converting the old Munsif's Court at Bezwada into a Police Station and Lock-up, are sanctioned, subject to the building being made available by the Judicial Department.

2. The Provincial Budget for 1878-79 having been closed, the Acting Inspector-General of Police will suggest the source whence funds should be provided.

3. This sanction has been registered as Provincial No. 318 B of 1877-78.

No. 74

Kistna District Police Office
Masulipatam
5th March 1872

From The Superintendent of Police
Kistna District

To The Inspector General of Police
Madras.

Sir,

I have the honor to submit copy
of a letter No 523 dated 1st instant from the
Collector, stating there is no objection to making
over the old Inamiff's fourth at Bezmadah
for a Station House, and a plan and estimate
amounting to Rs 145 for constructing lock-
-ups therein -

2 At present the Police of the Station
are located in the new Salug Rachehary
a picturesque building which cost an
immense sum. But the Architect while
providing a fine steeple to the building
did not think it necessary to put the
Station House under the same roof.

3 A subsidiary Jail was constructed with
lockups for under trial and convicted pri-
-soners but no lockup was provided for
Police prisoners. The room set apart for
the Police is only sufficient for the
Sub Jail guard. It is not suitable
as a place for the Inspector & Station
House officer to conduct their enquiries
& to keep the records, arms & ammunition

4. I therefore propose to leave only the Sub Jail and Treasury Guard in the Puthery, and to transfer the Station Constables to the old Municipals Court House - this building is in the centre of the town near the bazar while the Puthery is outside the town.

5. I request sanction for this transfer and the Estimate of the Range Officer for making the necessary alterations in the Municipals Court.

I have the honor to be

Yours obedient servant

A separate building for use as a Police Station House is consequently very necessary and that now proposed for conversion in the middle of the town is well suited for the purpose.
