GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

26th March 1878, No. 1,559 W.

General
Establishment.

Read the following papers :—

No. 397. From Lieutenant-Colonel H. L. PRENDERGAST, R.E., Officiating Superintending Engineer, North Arcot, to the Chief Engineer, Public Works Department, dated Vellore, 20th March 1878, No. 5,151.

By your memorandum, No. 1,348, of the 16th instant, Overseer Serjeant Price is about to be relieved of his duties in the Public Works Department, and I have the honor to submit an application for a Surveyor in the form given by the Chief Engineer for Irrigation in his memorandum, No. 4-C of 1878.

2. Of the four additional Overseers that have been sent to this district as promised in paragraph 5 of the Chief Engineer's memorandum, No. 10 N A, two have been placed under Captain Elliston at Palmanair, and as Serjeant Price is about to leave, there will be a vacancy in my additional establishment, but one to which I am not at liberty to appoint a substitute.

3. Captain Elliston is engaged in looking into the old Punjani Project on the Palmanair river, and he came across a Surveyor, Coopposawmy Moodelly, who was employed under the Executive Officer Mr. O'Shaughnessy some years ago in doing the survey and levelling work for this project. Captain Elliston applied to me for the services of Coopposawmy Moodelly as being acquainted with the scope of the old project, and as the intimation of Serjeant Price's removal has come just at the same time, I beg to be allowed to entertain Coopposawmy Moodelly as a Surveyor on Rupees 60 a month.

4. This man has been employed in the Revenue Survey Department; he has made surveys and estimates for me as odd jobs, paid for from Local Funds; and he did good work under Mr. Rundall lately on the investigation of improvements to the Palar channels. The only objection appears to me to be that Coopposawmy Moodelly is not on the permanent strength of the department; but, as he has local knowledge and will be specially useful, I ask for his services rather than for an Overseer already in the department.

No. 397-A. Memorandum from the Chief Engineer, dated 23rd March 1878, No. 1,463.

No. 398. ORDER THEREON, 26th March 1878, No. 1,559 W.

THE appointment by the Chief Engineer of Surveyor Coopposawmy Moodelly on Rupees 60 monthly is confirmed.

2. This sanction has been registered as Provincial No. 89 W of 1877-78.
