GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

28th March 1878, No. 1,588 W.

General.
Establishment.

Read the following paper :—

No. 420. Endorsement of the District Engineer, Presidency, dated 21st March 1878, No. 7,227.

From Captain A. C. CLARKE, R.E., Executive Engineer, Junction Canal Works, to the District Engineer, Presidency, dated Madras, 18th March 1878, No. 2,474.

I HAVE the honor to bring to your notice that Lieutenant Grant, R.E., claims the Sapper's allowance, viz., Rupees 60 per mensem, for such time as the "C" Company, to which he was attached as the Subaltern Officer, was employed in and around Madras, viz., from the 19th of October to the end of February; and under the provision of the G.O., No. 1,939, of the 4th December last, I would confidently assert that he is entitled to that allowance, for the meaning of the Government Order is clear enough, that he was to receive Rupees 120 in addition to all other military allowances; but the Examiner has disallowed the charge on the grounds that Lieutenant Grant, R.E., is attached to the Public Works Department as an Assistant Engineer, and therefore can only draw the prescribed rate of pay.

2. I would beg to contend that Lieutenant Grant, R.E., does not belong to this Department, but is only attached to the Junction Canal Works as a temporary measure, having been in command of the "C" Company for the greater part of the time the Sappers were employed on Famine Relief Works in and around Madras, and I would beg therefore that the Government may be addressed on the subject.

SENT to the Chief Engineer and Secretary to Government, Public Works Department, for favor of orders. G.O., No. 2,955 F.R., of 28th November 1877, appears to provide plainly enough for Lieutenant Grant being paid Rupees 120 per mensem, "*in addition to his military pay and allowances.*"

2. The Sapper allowance of Rupees 60 per mensem is certainly one of these "allowances," and is drawn by Sapper Officers whether they command companies or not.

District Engineer, Presidency.

From The Superintendent
of the Sanction and Works.
To The District Engineer
Presidency

Sir,

I have the honor to bring
to your notice, that Lt. Grant R.I.
claims the Officers' Allowance, viz.
Rupees 12/- per Mensem, for such
time as he is "in company" from
which he was attached, as the
Subaltern Officer, was employed
in and around Madras, viz. from
the 19th of Octo^r to the end of February,
and under the provision of the Govt.
Order No. 1939 of the 4th Dec^r 1877, I would
confidently assert, that he is entitled
to that allowance, for the meaning
of the Govt. Order, is clear enough,
that he was to receive Rupees 120/-
in addition to all other Military
allowances, but the Examiner has
disallowed the charge, on the
grounds, that Lt. Grant R.I. is
attached to the D.P.W. as an
Assistant Engineer, and

Therefore can only draw the prescribed
rate of pay

2. I would beg to contend, that
Lt. Grant R.E. does not belong to this
Department, but is only attached to
the Indian Land Works, as a tempo-
rary measure, having been in command
of the 1st Company for the greater
part of the time, the Sappers were
employed on famine relief work
in & around Madras & I would
beg therefore that the Government
may be addressed on the subject.

I have the honor to be
Sir

Yours most obedt. Servt.
