GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

12th January 1878, No. 164 W.

Buildings and Roads.

Civil Works.

Read the following papers :—

No. 100. From Colonel C. S. HEARN, Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 31st August 1877, No. 3,910.

I HAVE the honor to submit, for the consideration and orders of Government, the accompanying letter,* in original, from the Superintendent of Police, Cuddapah, suggesting the purchase by Government of Colonel Moberly's bungalow at Goolchervoo in Royachoty Taluq of that district, at a cost of Rupees 1,250 in 1877-78.

2. A good station-house at the above place is very much wanted, and the building in question, which is a substantial one, is well fitted for the purpose with certain alterations which are roughly estimated to cost Rupees 600. Colonel Moberly, the District Engineer, is willing to sell the bungalow, and I think the opportunity ought not to be lost. The Police are at present located in a feverish, unhealthy spot.

3. Should this proposal meet the approval of Government, I request early sanction for the diversion to it of Rupees 1,250 out of the allotment (Rupees 1,780) sanctioned* in G.O., No. 1,316, dated 17th April 1877, Public Works Department, for the Gundloor station-house in the same district, construction of which can conveniently be postponed for the present. A sum of Rupees 60-9-1 only has been expended up to date for the collection of materials. The balance will be appropriated towards fitting up the Goolchervoo bungalow into a station-house, and a detailed estimate for the purpose will be submitted in due course hereafter for sanction. The materials collected at Gundloor can hereafter be utilized there.

* No. 1/113, dated 4th July 1877.

* *Vide* also G.O., No. 532 W, dated 4th August 1877, Public Works Department, Para. 6.

From Captain H. W. BLAIR, Superintendent of Police, Cuddapah, to Colonel C. S. HEARN, Inspector-General of Police, dated Cuddapah, 4th July 1877, No. 1/113.

I HAVE the honor to bring to your notice that a good station-house has long been required at Goolchervoo in Royachoty Taluq. You are quite aware of the large amount it costs to get even an ordinary station-house built in this district by the Department Public Works, and although the work and amount for this year has already been allotted and sanctioned, viz., the building of a station-house at Gundloor to cost Rupees 1,780, still nothing has yet been done beyond marking out the site. This, I believe, is owing to the paucity of officers in the district. An opportunity has now offered for securing a good station-house at Goolchervoo. Colonel Moberly, the District Engineer, has a bungalow there, a well-built substantial one, well known to you, which would suit well for a station-house; he offers now to sell the same for 1,250 Rupees. I think it is worth that sum, and therefore now propose that this building be purchased without delay as otherwise it may be lost, and that the amount required be taken from that already allotted for the Gundloor station-house, which can remain in abeyance or be put in progress with the balance that remains; we shall never get a station-house so substantially and well-built for the same sum there, and there is besides a large piece of ground attached on which new Police lines could be built, as the old ones in the village are very unhealthy, and I have scarcely ever been there that they have not had cholera, small-pox or fever among their families.

No. 100-A. From Colonel C. S. HEARN, Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 12th December 1877, No. 5,519.

ADVERTING to your memorandum No. 2,546, dated 3rd September last, I have the honor to forward a plan and a valuation estimate (Rupees 2,270) of the building referred to.

2. With reference to the latter part of paragraph 3 of my letter No. 3,910, dated 31st August 1877, I have also the honor to submit for sanction the accompanying plan and detailed estimate with specification, &c., amounting to Rupees 470, for altering the bungalow at Goolchervoo, Cuddapah District, into a Police station-house, the work to be carried out by Department Public Works, and request that *early* sanction may be accorded for the diversion of this sum together with Rupees 1,250 required for the purchase of the building during 1877-78 as proposed therein, should it meet the approval of Government.

ORDER THEREON, 12th January 1878, No. 164 W.

No. 101.

THE purchase of Colonel Moberly's bungalow at Goolchervoo in the Royachoty Taluq of the Cuddapah District at a cost of Rupees 1,250 and the plan and estimate of Rupees 470 for converting it into a Police station are sanctioned.

2. To meet the outlay Rupees 1,720 are transferred from the appropriation of Rupees 1,780 made in G.O., No. 1,316, dated 17th April 1877, for the Gundloor station-house in the same district.

3. This sanction has been registered as Provincial No. 255 B of 1877-78.
