GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT

8th April 1878, No. 1,739 W.

Buildings and Roads
Military Works.

Read the following papers:—

No. 71. From Major ROSS THOMPSON, R.E., District Engineer, Presidency, to the Chief Engineer, Public Works Department, dated Fort St. George, 28th March 1878, No. 7,391.

I HAVE the honor to request that a sum of Rupees 26,000 may be provided in the final issue of the Imperial Budget for 1878-79 on account of purchase of site for Native Infantry Lines at Poodoopett.

2. The Collector of Madras in his letter, No. 178, dated 25th March 1878, copy enclosed, informs me that the sum of Rupees 26,000 forms the compensation payable on land taken up before the receipt of the Order of Government, No. 998 W, dated 28th ultimo.

3. A sum of Rupees 30,000 was surrendered by the Collector out of the Rupees 50,000 sanctioned in the current year's Imperial Budget on account of Poodoopett Lines, and this sum was appropriated for several Military New Works under G.O. No. 1,366 W, dated 23rd November 1877. I therefore request that Government will be good enough to sanction the sum of Rupees 26,000 now applied for in the next year's budget.

From R. J. MELVILLE, Esq., Collector of Madras, to the District Engineer, Presidency, dated 25th March 1878, No. 178.

In reply to your letter No. 7,389, dated 23rd instant, I have the honor to inform you that the sum of Rupees 26,000 therein referred to forms the compensation payable on land taken up before the receipt of the order of Government, No. 998 W, dated 28th ultimo, deferring further acquisition of land in Poodoopett. Awards under Section 14 of Act X of 1870 had been drawn up in these cases, and Government are therefore bound to complete the acquisition. The sum was placed at your disposal on the understanding that it would be returned early in the next official year. If the sum had not been given to you, the compensation would have been paid within the current year and the Budget of 1878-79 would not have been affected.

Under these circumstances I request you will write to Government and obtain their sanction for an allotment on that account from the Public Works Budget of 1878-79. I shall intimate on the 30th instant the exact amount which will be required for payment.

3. I need hardly add that any delay in payment after the current official year will entail payment of interest.

No. 71-A. Endorsement of the District Engineer, Presidency, dated 8th April 1878, No. 184.

From R. J. MELVILLE, Esq., Collector of Madras, to the District Engineer, Presidency, dated Madras, 5th April 1878, No. 212.

REFERRING to paragraph 2 of this office letter No. 173, dated 25th ultimo, I have the honor to inform you that the amount actually required for payment during the

current year on account of land already taken by Government in Pondolopett is Rupees 24,830, and to request that this sum may be placed at my disposal as early as possible.
