No. 75. From Major J. PENNYCUICK, R.E., District Engineer, Salem, to the Chief Engineer, Public Works Department, dated Salem, 29th March 1878, No. 254 SL.

In continuation of my letter No. 235 of 14th March, I have the honor to state that no further information has been obtained regarding the origin of the fire in the Salem Range Office on the 6th instant.

2. 3. The reward authorised by your telegram of the 18th March has been offered, but the duty of making further inquiry appears now to rest with the Police rather than with this department.
