GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

1st April 1878, No. 1646.

Barracks and Buildings—Hospitals.

Read the following paper :—

No. 6. From Brigadier-General H. O'CONNELL, Quartermaster-General, to Colonel J. MICHAEL, c.s.i., Secretary to Government, Military Department; dated Fort St. George, 9th March 1878, No. 1735.

With reference to paragraphs 81, 82 and 87 of G.O.C.C., No. 4, dated 24th January 1878 (a republication of the Rules published in Proceedings of Madras Government, Public Department, 25th November 1877, No. 1604—Military Department No. 6907, dated 13th December 1877) I have the honor, by order, to report that the Medical authorities suggest the erection of two mat huts at Vellore for cholera and small-pox patients.

2. The Deputy Surgeon-General and the Surgeon-General, Indian Medical Department, concur in the necessity for having these huts erected at Vellore, and recommend that each hut should be capable of containing at least four patients.

3. The approximate cost for the huts will be Rupees 55 (fifty-five.)

4. If approved by Government, it is requested that this application may be transferred to the Public Works Department for disposal. The Deputy Surgeon-General recommends that the huts should be put up outside the hospital enclosure on the ample open plain in front of the hospital.

5. Four grass huts were erected at Vellore in February 1877,—two near the hospital. These two have been totally destroyed by the late rains. The balance realized by sale of the materials—Rupees 3-14-9—will be credited to Government.

No. 7. ORDER THEREON, 1st April 1878, No. 1646.

Approved, and transferred to the Public Works Department for consideration and final disposal, with instructions to utilise mats and bamboos of famine camps, if it can be done more cheaply.

(True Extract.)
