Read the following paper:—

No. 123. From Major J. L. L. MORANT, R.E., District Engineer, Nilgiris, to the Chief Engineer, Public Works Department, dated Ootacamund, 28th March 1878, No. 92.

I HAVE the honor to forward herewith the disallowance list (to be returned) No. 1,072, dated 22nd instant, in which the Examiner has disallowed the pay of C. Moothiah, the Temporary Overseer, and of Ponnoosawmy Pillay, the Additional Draftsman, sanctioned in Public Works G.O., No. 800 W, dated the 18th February 1878, on the ground that the former, whom I reported in this office letter, No. 413, dated 10th October last, as having been appointed to the post, is an unpassed candidate, and the latter holds a certificate of Surveyor instead of that of a Draftsman to qualify him for the appointment he holds.

2. These posts being temporary ones it was impossible to obtain the services of individuals who had passed the usual examinations. I took the necessary steps for this purpose, but failed. I at last selected the above men who have given me satisfaction in the discharge of their respective duties, for which they are fairly qualified though they have not passed examinations.

3. May I, therefore, request the favor of your kindly instructing the Examiner to admit the claim on behalf of these persons in this case as under the circumstances quite a special one.

No. 124. ORDER THEREON, 10th April 1878, No. 1,781 W.

THESE unpassed men having been engaged under special circumstances, the Examiner is authorised to admit their pay.
