Read the following paper:—

No. 155. From A. B. SAMPSON, Esq., Under Secretary to the Government of India, Public Works Department (Establishment—General), to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 27th March 1878, No. 473 E—G.

In reply to your letter, No. 804 W, of 28th September 1877, recommending that the Code Rule, Chapter IV, Section iii, paragraph I, Rule VIII (S.O. No. 51 of 1871), regarding the carriage at the public expense of horses and camp-equipage by rail on occasions when an officer is required to proceed at once to a new post ready equipped, may be modified by the omission of the last clause under which the order for the conveyance of the horses and camp-equipage must be previously given in all cases, and also that the rule may be so extended as to cover the cases of young officers on first joining the Public Works Department in the Madras Presidency, I am directed to state that the proposed modification is approved, and the words "without such order previously given the charge will not be passed" will be expunged from the rule in the new edition of the Public Works Code.

2. The Governor-General in Council is, however, unable to accede to the second request, as there are apparently no sufficient grounds for granting to young officers of the Madras Public Works Department a privilege not possessed by officers of any other Department or by Public Works Officers in other Provinces.

No. 156. ORDER THEREON, 13th April 1878, No. 1,838 W.
