PUBLIC WORKS DEPARTMENT.

23rd April 1878, No. 1,927 W.

General.
Account.

Read the following paper:—

No. 238. From Major J. PENNYQUICK, R.E., District Engineer, Salem, to the Secretary to Government, Public Works Department, dated Salem, 12th April 1878, No. 10 S.L.

With reference to G.O., No. 1,529 W, of 26th instant, I have the honor to observe that it is not quite clear what is meant by the "application to the Range Officer (for recoupment of an imprest) being made in due time."

2. Application cannot be made until some portion of the imprest has actually been spent; if the total of the imprest is fixed at three days' expenditure, only two days' expenditure can be left in hand when an application is despatched for recoupment of the first day's expenses; if (as may very often happen) it takes five days before fresh funds are received, it is obvious that for three days at least the imprest-holder will be altogether without money.

3. The question is not now one of opinion but of fact, and, as a matter of fact, the three days' limit is in many cases not sufficient.

No. 239. ORDER THEREON, 23rd April 1878, No. 1,927 W.

HIS GRACE the Governor in Council does not consider any further orders necessary. Officers must take care to make their applications for funds in sufficient time.
