No. 250. Endorsement of the Secretary to Government, Revenue Department,
dated Fort St. George, 12th April 1878.

Proceedings of the Court of Wards, dated 2nd April 1878, No. 895.

Read the following letter from W. S. HARINGTON, Esq., District Engineer, Madura,
to the Secretary to Government, Public Works Department, dated Madura,
12th March 1878, No. 410.

In continuation of my No. 397, dated 28th ultimo, I have the honor to forward a medical certificate, in original, sent to me by the Assistant Engineer, Ramnad Estate Works. Mr. Parsick states that he consulted the Zillah Surgeon yesterday and obtained the above. He personally informs me that the Zillah Surgeon has prohibited his riding or taking any violent exercise; but he is unwilling to apply for sick leave absolutely, as he says that he can arrange to carry on the works in the zemindary for a month. Under these circumstances, added to the fact that Mr. Parsick's indisposition is the result of his exertions during the time he was employed on famine relief-works in Trichinopoly, I venture to recommend that he may be allowed to prosecute his present work as he desires for a month without loss of pay.
