GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

29th April 1878, No. 1,982 W.

General.
Account.

Read the following paper:—

No. 295. Endorsement of the District Engineer, Presidency, dated Fort St. George, 18th April 1878, No. 358.

From J. N. GRAINGER, Esq., General Superintendent, Public Works Stores and Workshops, to the District Engineer, Presidency, dated Madras, 16th April 1878, No. 84.

UNDER G.O., 8th September 1875, No. 2,557, paragraph 2, all tools issued from the Public Works Stores are marked D. P. W. with the year of issue. Tools so marked issued in 1877 have been returned into store and in time will again issue from the stores to works, I beg to inquire therefore whether it is necessary that such tools as already bear the distinguishing mark of the department should again be marked, or whether it would not suffice for the range offices to mark the year when the tool is brought into use.

Copy submitted to the Chief Engineer for orders with reference to G.O., No. 2,557, dated 8th September 1875.

(Signed) ROSS THOMPSON, Major, R.E.,
District Engineer, Presidency.

No. 296. ORDER THEREON, 29th April 1878, No. 1,982 W.

It will be sufficient if the Range Officers mark the year when the tools are brought into use.
