GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

4th January 1878, No. 19 W.

General.
Account.

Read the following paper :—

No. 34. From T. D. HARRIS, Esq., District Engineer, Ganjam, to the Chief Engineer, Roads and Buildings Branch, dated Camp, Berhampore, 14th December 1877, No. 93.

With reference to my statement of demands on the Reserve of Provincial Funds for uncommenced works for 1877-78, I have the honor to inform you that all the works entered therein have been provided with funds in G.O., No. 1,423, dated 25th April 1877, except the following :—

<i>Revenue Department.</i>	RS.
Additions to Press Office at Chatterpore attached to Collector's Cutcherry	1,490
Additions to Collector's Cutcherry	557

<i>Public Works Department.</i>	
Construction of Overseer's Office at Teekally, Raghoonadapore	700

The first two works are not as yet commenced. The third work has been commenced and a sum of Rupees 607-6-1 has been spent on the work up to the end of October 1877, and the building is nearly completed. I therefore solicit the favor of your granting me the funds for the three works as demanded in my statement, so as to enable me to put the first two works in hand and to remove the objection in regard to appropriation for the third work.

No. 35. ORDER THEREON, 4th January 1878, No. 19 W.

No funds are available for appropriation to the works in question. The District Engineer should not have commenced any work without first obtaining funds for it, and least of all a work such as the Overseer's Office, which was plainly one of which the construction might safely be deferred.
