GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

3rd May 1878, No. 2,023 W.

General.

Account.

Read the following paper:—

No. 15. From the Acting Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 15th April 1878, No. 1,665.

With reference to G.O., No. 1,370 W, dated 16th ultimo, Public Works Department, I have the honor to point out that in the Budget Item No. 12 (Appendix E) are included the sums Rupees 830 and 520 for Rapur huts (Nellore District) and Police latrines at Tellicherry (Malabar District), respectively, instead of Rupees 820 and 460 as sanctioned in the Government Orders noted in the margin.

2. The necessary correction as above being made, the total grant for *new works* is reduced to Rupees 36,296 and the amount reserved for *incomplete works* raised to Rupees 8,654.

3. No provision appears to have been made for Police *minor* works in six districts (including the town of Madras). I beg that you will be good enough to inform me whether the restriction* for budget provision for Police *major* works is extended to works costing less than Rupees 2,500. This renders provision for unforeseen demands for such petty new works impracticable, as they cannot be estimated for to any certainty *six* months before the official year during which they may have to be carried out so as to ensure budget provision for them also.

4. Provision for repairs is likewise wanting in the districts of Cuddapah, Trichinopoly, and Salem to the extent of Rupees 600, 200, and 400 respectively. Should the amount reserved for incomplete works be fully exhausted, which cannot be correctly known for some time, the necessary provision will have to be made from the *General Reserve of 1878-79*.

No. 16. ORDER THEREON, 3rd May 1878, No. 2,023 W.

THE corrections necessary with regard to the first paragraph of the foregoing letter have been made in Appendix E of the Provincial Budget of 1878-79, and the amount reserved for incomplete Police works has been raised to Rupees 8,654.

2. Referring to paragraph 3, the Inspector-General of Police is informed that no works can be carried out unless an appropriation of funds has been made on their account. The difficulty of estimating for works beforehand of which the Inspector-General speaks has not been found in other departments.

3. If an allotment is required for unforeseen Minor New Works, the necessary funds can, on receipt of information as to the amount required, be granted from the amount reserved for incomplete Police works.

4. The following allotments from that source are now sanctioned:—

Cuddapah.—For repairs to Police buildings							RS.
Trichinopoly.—	Do.	do.	...	...	...	...	600
Salem.—	Do.	do.	...	...	...	...	200
			...	...	...	...	400
Total ...							1,200

5. The District Engineers concerned should have included the sums required for repairs to Police buildings in their Budget Estimates.
