No. 27. From Major J. W. HINDLE, S.C., District Engineer, Kurnool, to the Chief Engineer, Public Works Department, dated Kurnool, 19th April 1878, No. 13-143.

I HAVE the honor to forward, for your orders, a copy of a letter, No. 47, dated 11th instant, from Mr. J. P. Scotland, Assistant Engineer, requesting me to obtain the sanction of Madras Government to take photographs of all important masonry works, tanks, buildings, &c., and improvements to existing works in this district, or the photographs of any particular work the Government may desire elsewhere.

2. As Mr. Scotland intends taking the views during his leisure hours in his own division, I have no objection to make to his proposal being sanctioned if Government consider it advisable.

From J. P. SCOTLAND, Esq., Assistant Engineer, Cumbum Division, to the District Engineer, Kurnool, dated Cumbum, 11th April 1878, No. 47.

I HAVE the honor to state that I propose getting up my extensive photographic kit from Bengal, and intend taking views during my leisure hours in my own division. I should be glad to obtain the sanction of the Government of Madras to take photographs of all important masonry works, tanks, and buildings, &c., and improvements to existing works in this district, or the photographs of any particular work they may desire elsewhere; the Government only paying me *bona fide* expenses on chemicals, &c.

2. I have practised photography for nearly nine years, and I hold a certificate as a qualified photographer. I may here mention that I have taken photographs of Public Works for the Bengal Government.

No. 28. ORDER THEREON, 3rd May 1878, No. 2,032 W.
