GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

4th May 1878, No. 2,043 W.

General.
Account.

Read the following paper:—

No. 35. From J. O'SHAUGHNESSY, Esq., District Engineer, Nellore, to the Secretary to Government, Public Works Department, dated Koratoor, 17th April 1878, No. 121.

In reference to G.O., No. 1,603, dated the 29th March 1878, I have the honor to report that the statement made in the column "Remarks by Examiner" is in regard to this district incorrect.

2. In his letter, No. 460, dated the 6th February 1878, the Examiner of Accounts intimated that a sum of Rupees 189 had been withdrawn from my reserve balance under Provincial, Tools and Plant, New Supplies, and arrangements were accordingly made to carry the order into effect.

3. A few days later I received G.O., 9th February 1878, No. 677, in which a sum of Rupees 180 was transferred from this district, and on the 25th February I received a letter from the Examiner, No. 485, dated 22nd February 1878, intimating that Rupees 9 had been withdrawn from my allotment under "Provincial, Tools and Plant, Repairs."

4. As my whole allotment for New Supplies amounted to only 200 Rupees, it seemed probable that the intimation given in the Examiner's letter of the 6th February referred to the 180 Rupees withdrawn in G.O., No. 677, dated 9th February, and the Rupees 9, the withdrawal of which was intimated in his letter of the 22nd February, and these deductions have been duly carried out.

5. In his audit note forwarded herewith the Examiner quotes G.O., No. 269 W, dated 16th January, withdrawing 189 Rupees from my allotment for Provincial, Tools and Plant, New Supplies, and G.O., No. 613 W, dated 6th February, for the withdrawal of Rupees 9 from my allotment for Repairs under the same heads; these orders were not communicated to my office.

6. Out of my allotment of 200 Rupees Rupees 180 has been withdrawn—*vide* G.O., No. 677, and a sum of only 20 Rupees has been appropriated by me; there is therefore some mistake in the statement that an excess appropriation of 189 Rupees has been made.

No. 45 of 25 March 1878

Division
District

District Engineer,

Memorandum for Executive Officer,

from my reserve balance under Provincial Tools & Plant new supplies and arrangements were accordingly made to carry the order into effect.

A few days later I received G.O., 9th February 1878. No. 677 in which a sum of Rupees 180 was transferred from this District. and on the 25th February I received a letter from the Examiner, No. 485 dated 22nd February 1878 intimating that Rs. 9 had been withdrawn from my allotment under "Provincial Tools and Plant repairs".

As my whole allotment for new supplies amounted to only 200 Rs it seemed probable that the intimation given in the Examiner's letter of the 6th February referred

to the 180 Rs withdrawn in G.O., No. 677 dated 9th February, and of the Rupees 9, the withdrawal of which was intimated in his letter of the 22nd February and these deductions have been duly carried out.

In his audit note forwarded herewith the Examiner quotes G.O., No. 269 Tr. dated 16th January withdrawing 189 Rs from my allotment for Provincial Tools and Plant new supplies and G.O., No. 618 Tr. dated 6th February for the withdrawal of Rs. 9 from my allotment for repairs under the same heads, these orders were not communicated to my

Office.

Out of my allotment of 200 Rs, Rs. 180 has been withdrawn vide G.O., No. 677 and a sum of only 20 Rs

has been appropriated by me
there is therefore some mistake
in the statement that an excess
appropriation of 187 Rs has been
made.
