Civil Works.

Read the following paper:—

No. 39. From W. S. HARRINGTON, Esq., District Engineer, Madura, to the Chief Engineer, Buildings and Roads, dated Madura, 5th April 1878, No. 4.

I HAVE the honor to submit for the sanction of Government an estimate, amounting to Rupees 630, for reconstructing the terrace of the Police Station-house at Karisaputty which is in a dangerous state; it is said to be cracked in several places, and the whole of the wood-work has sagged; the injury has been caused probably by the rafters and beams having been put up in a green state and to the timber itself being inferior. The amount of the estimate is very high for so small a building, but Mr. Hutchings states that the materials have to be brought from a great distance.

2. The Inspector-General of Police states in his No. 1,123, of the 12th instant, that provision should be made for this work in the allotment of New Works for 1878-79, and that some modification be proposed in the building and hutting scheme already passed by him to meet the above charge. I suggest that the sum required may be allotted from the Budget provision of Rupees 925 for Yaloomalay Police Huts, the construction of which being deferred till 1879-80.

No. 40. ORDER THEREON, 6th May 1878, No. 2,047 W.

THE estimate of Rupees 630 for reconstructing the terrace of the Police Station-house at Karisaputty in the Madura District is sanctioned. Rupees 130 being deducted on account of old materials, Rupees 500 remain to be provided; which sum is appropriated from the amount reserved in the Provincial Budget of 1878-79 for incomplete Police works.

2. No provision having been made for the Police Huts at Yaloomalay, the transfer proposed by the District Engineer cannot be sanctioned.

3. This sanction has been registered as Provincial No. 13 B of 1878-79.
