GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

8th May 1878, No. 2,072 W.

General.
Establishment.

Read the following paper:—

No. 59. From J. O'SHAUGHNESSY, Esq., District Engineer, Nellore, to the Secretary to Government, Public Works Department, dated Nellore, 29th April 1878, No. 237.

In reference to the enclosed disallowance list, I have the honor to report that Mr. Assistant Engineer Green of the North-western Provinces, Public Works Department, was employed in surveying and levelling for the Pulicat Lake section of the Buckingham Canal during the month of September 1877. This was his first work in this district; he lived principally in a boat on the lake and had no fixed head-quarters at the time.

2. The Examiner of Accounts has for this reason, and until the sanction of Government is obtained as to the place that is to be considered Mr. Green's head-quarters, disallowed Mr. Green's claim for travelling allowance for twenty-five days of that month.

3. Mr. Green fairly earned the travelling allowance he claims for the period in question; and, as he went to the work from Nellore on the 1st September and returned to Nellore on the 25th idem when the work was finished, I request the sanction of Government to have Nellore considered his head-quarters during September 1877.

ORDER THEREON, 8th May 1878, No. 2,072 W.

No. 60.

NELLORE will be considered to have been Mr. Green's head-quarters during September 1877.
