Read the following papers —

No 136 From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Secretary to Government Public Works Department, dated Chempauk, 2nd April 1878, No 5 W.

AGREELABLY to Rule 2 (A), under Section 32, of the Civil Pension Code, published in the *Gazette of India* of the 12th October 1877, part I, page 599, I have the honor to report that the employees as per margin whose ages exceeded 25 years have been appointed to the public service in the Rajamahendri division, and to remind you of the Resolution by the Government of India, No 423, dated 20th January 1871, quoted as a foot-note to Section 60 of the Civil Pension Code

No 1,641.

REFERRED to the Superintending Engineer, Godavery, for report to be returned with his reply.

(Signed) E. A. FOORD, Colonel, R.E.,
Secretary to Govt, P.W.D.

4th April 1878.

No. 136 A. From Lieutenant-Colonel J. BEATTY, R.E., Superintending Engineer, Godavery District, to the Chief Engineer, Public Works Department, dated Dewlaishweram, 26th April 1878, No. 321.

In continuation of my letter, No. 225, of yesterday's date, and in reply to your Examiner's letter No 5 W of 2nd April, with Chief Engineer's endorsement No 1,641 of 4th April 1878 No 1,641 of 4th instant, I have now the honor to report on the case of Tiruvadi Canagasabapathy whom I appointed a 3rd Grade Sub-Overseer when over 25 years

2. Canagasabapathy was first employed as Writer and Accountant to the 44th Native Infantry at Bangalore in 1852.

3. The Regiment having been moved to Kurnool in 1856. Captain Blagrove appointed him Muchi of the District Engineer's Office.

4. In the same year Colonel Shaw-Stewart promoted him to the post of Store-keeper on a pay of Rupees 30, taking from him a security of Rupees 300

5. I acted as District Engineer of Kurnool from August 1861 till August 1863 and knew Canagasabapathy as a steady, hardworking, intelligent and trustworthy public servant.

6 At the re-organization of 1863 there was considerable reduction of establishments, and Canagasabapathy's post of Storekeeper was abolished as a permanent appointment

7 He was, however, retained as Storekeeper in temporary employ, and paid from estimates until 1867, when, owing to special orders forbidding the Range Officer to find his pay from estimates, he was thrown out of employment

8 From 1867 to 1877 Canagasabapathy supported himself by undertaking contracts for the Municipality of Karnool and the Public Works Department, and as a Maistry on Famine Relief-works, until I employed him as a Sub-Overscer, 3rd Grade

9 I did so in ignorance of the 25 years rule, and under the impression that it was the wish of Government that deserving men who had been thrown out of employ through no fault of their own should be re-entertained when suitable vacancies occurred

10 I consider Canagasabapathy a fit and deserving person, and trust that I shall be permitted to retain his services

No 137 ORDER THEREON, 13th May 1878, No 2,136 W.
