Account

Read the following paper —

No 224. From J. W. RUNDALL, Esq, District Engineer, Bellary, to the Chief Engineer, Public Works Department, dated Ramandiooz, 10th May 1878, No. 640.

I HAVE the honor to solicit sanction to the disbursement of Rupees 344 to the Commissariat Department from the grant for Repairs, Military on account of the charges incurred by that department for supplying accommodation boards and for lettering and painting the accommodation boards in use on the buildings occupied by the Royal Artillery and European Infantry. The bills showing the particulars of charges are enclosed.

2. This work was carried out by the Commissariat Department on the requisition of the Barrack Department, but the Examiner, Commissariat Accounts, disallowed the charges on the grounds that they appertain to the Public Works Department under the provisions of G O C C, No 142, dated 9th November 1865. The Barrack-master has therefore applied to the Officer in charge Bellary Range for a refund of the amount to the Commissariat Officer, to cover the retrenchment made in his accounts.

3 As the work was not carried out by this department, I have thought it proper to obtain authority for the payment
