No 229-A Proceedings of the Madras Government in the Judicial Department,
dated 2nd May 1878, No 916.
From T. WEIR, Esq, Acting Registrar of the High Court of Judicature at
Madras, Appellate Side, to the Chief Secretary to Government, dated 24th
April 1878, No. 829.

In the Proceedings of Government, dated 21st April 1874, No. 700, sanction
was given for the construction of a new District Munsif's Court House at Perambalore
in the district of Trichinopoly. In a letter, dated 6th March 1875, No 544, the
High Court suggested that the new Court House should be erected at Arealore instead
of at Perambalore

2 On the completion of the building the High Court proposed to transfer the
Court of the District Munsif now located at Perambalore from the latter station to
Arealore and to carry out any further modification of the District Munsif's jurisdiction
that might then be found necessary.

3 In their Orders, dated 10th March 1874, No 544, the Government approved
of this suggestion, and stated that orders would be issued in the Department of Public
Works for the erection of the sanctioned Court House at Arealore instead of at Peram-
balore.

4 The necessity of a re-adjustment of the Trichinopoly District Munsif's juris-
dictions having recently become apparent, the High Court in January last called upon
the District Judge, Mr Webster, to state his views as to what was required.

5 Mr Webster in reply stated that no satisfactory settlement of local jurisdic-
tion was possible until the contemplated removal of the Perambalore Court to Arealore
was carried out. Mr Webster went on to say that, although three years had elapsed
from the date of the G O, of 10th March 1875, nothing had been done towards erect-
ing the Court House at Arealore, not a stone of the building had been laid, and the
site had not as far as Mr. Webster knew been even selected

6 On receipt of this information Mr. Webster was instructed to ascertain
whether a suitable building for a Court House could not be rented at Arealore

7 Mr Webster now replies that he has secured a suitable building at a monthly
rent of Rupees 15 (fifteen), and I am now to request the sanction of Government to
this expenditure until such time as a Court House can be erected at Arealore. I
enclose copy of Mr Webster's letter for the information of Government. The other
arrangements required in connection with the alteration and re-distribution of the
District Munsif's jurisdictions will be notified by the High Court under the powers
conferred in Act III of 1873, Sections 5 and 11.

ENCLOSURE No 1

From E F WEBSTER, Esq, District Judge of Trichinopoly, to the Acting Registrar of the
High Court of Judicature at Madras, Appellate Side, dated 2nd April 1878, No 158
I beg to report that I have (subject to approval by the High Court) secured a building
situated in the town of Arealore which is in every way suitable for a Munsif's Court House

- 2 Enclosure A is a sketch plan of the premises
3 The following alterations to the building are necessary before the Munsif can take charge of it.—

First—The construction of a record-room by erecting a brick wall to the south of compartment No 1 in Plan A

Second—The removal of wall marked No 2, and the addition of a door at the spot marked No 3, in order to provide a room in which attached property can be secured

Third—The erection of a leaf pandal round the building

4 These improvements the landlord is prepared to effect at his own expense The rent he asks for the building is Rupees 15 a-month, which is a moderate sum in my opinion

5 In regard to the question how the Trichinopoly Munsif can most conveniently be relieved of a part of his over-burdened file, I suggest the following simple plan as likely to accomplish all that is necessary and with the least possible inconvenience to suitors

6 I would restore to the jurisdiction of the Perambalore Munsif all villages lying to the north-east of the Trichinopoly Taluq, and would take the river Coleroon as the northern boundary of the Trichinopoly Munsif's jurisdiction

7 The effect of this arrangement, if approved of and carried into effect, will be to relieve the Trichinopoly Munsif of about 256 cases a-year, as will appear from Statement B forwarded with this letter, and his file will then not be too heavy for an industrious man to cope with successfully.

His GRACE the Governor in Council sanctions a monthly rent of Rupees (15) fifteen for the District Munsif's Court House at Arcalore.

2 The necessary steps will be taken in the Public Works Department for the erection of a Court House there.
