Read the following paper —

No 256 From J W. RUNDALL, Esq , District Engineer, Bellary, to the Chief Engineer, Public Works Department—through the Examiner of Public Works Accounts,—dated Ramandroog, 10th May 1878, No 643.

I HAVE the honor to solicit the sanction of Government to write off the tools return of the Gooty Range 72 stone-breaking hammers 3 lbs , book value Rupees 76-8-0, found deficient when Mr. A J Oldham, Assistant Engineer, employed on famine relief-works in the Adony taluq, was relieved.

2. These tools, it would appear, were issued to Mr Oldham in September last for use on famine relief-works . Lieutenant Smithers, the Range Officer, brought the deficiency to notice in January. After Mr. Oldham's return to his own province I called upon that officer for any information he may have to give regarding the missing tools, and the following is his reply —

"I had no Storekeeper and all tools used to be kept at my tent and given away to the villagers on a receipt from the Reddi The seventy-two hammers in question must either have been stolen or the receipt lost, I was quite unable to trace them before I left Adony, though I tried hard to do so"

No. 256-A. From the Examiner of Public Works Accounts, dated 10th May 1878, No 60 BL.

No. 257. ORDER THEREON, 22nd May 1878, No. 2,250 W.

No 254 From J O'SHAUGHNESSY, Esq, District Engineer, Nellore, to the Chief Engineer, Public Works Department, dated Nellore, 15th May 1878, No 417

I HAVE the honor to report that P Subbaraya Moodelli, Acting Accountant, Northern Division, was, with my concurrence and partly by my desire, dismissed by the Examiner of Public Works Accounts for insubordination in September 1876

2 I have thought subsequently that the punishment was too severe, and I have reason to think that the Examiner is of the same opinion

3 Under these circumstances and in a case of great emergency I appointed Subbaraya Moodelli to act as Assistant Accountant in the Centre Division Office from the 7th November 1877 to 31st January 1878

4 The Examiner cannot admit the Acting Assistant Accountant's salary without the special sanction of Government for the following reasons given in his Disallowance List, dated the 7th February 1878 —

Name and Rank	Amount disallowed	Reason of Disallowance	Explanation by Executive and District Officers
	RS A P		
*P. Subbaraya Moodelli, Acting Assistant Accountant Pay from 7th to 30th November 1877 at Rupees 25	20 0 0	*Audit deferred pending receipt of a report from the District Engineer of the circumstances under which he has sanctioned the appointment of P Subbaraya Moodelli who was dismissed—*vide* this office letter, No. 87 N L, dated 6th September 1876 The name of the individual in whose stead he was appointed should be stated	The man was appointed temporarily because his services were required 21st April 1878
		The claim cannot be admitted in the absence of special sanction of Government for the reappointment of Subbaraya Moodelli who was dismissed (*vide* this office letter, No. 87 N L, dated September 6th, 1876) As Subbaraya Moodelli has not passed the Uncovenanted Civil Service Examination, and as the recent break in his services caused by his dismissal he forfeits his past services, the special sanction of Government should also be obtained for his appointment to any post the salary attached to which is Rupees 20 and above (Signed) G BROWN, Deputy Examiner, Public Works Accounts	

I called upon that Officer for any information he may have to give regarding the missing boats and the following supply

"I had no time to open and all "boats used to be light of any kind and "given away to the Villagers on a scarcity "from the Nile. The 99 Drummers in "question must either have been stolen "or the Records lost. I was quite unable "to trace them before I left Adowa "though I tried hard to do so."

(Assist-Engineer

5 Under the above circumstances I request Government to be pleased to authorise the payment of the salary under reference

6. I may mention that on receipt of the Examiner's objection to P Subbaraya Moodelli's temporary employment, he was removed and a qualified man appointed in his place as soon as possible. I shall, as requested some months ago by the Examiner, inquire at an early date into the complaints on which P Subbaraya Moodelli was dismissed in September 1876, with a view to his re-employment in a permanent appointment
