No. 260. Proceedings of the Madras Government in the Revenue Department,
dated 7th May 1878, No. 674.

Read the following Proceedings of the Board of Revenue, dated 9th April
1878, No. 992.

From A. S. NARAINA, Acting Deputy Collector in charge of Salt Department,
Ganjam, to G. D. LEMAN, Esq., Collector of Ganjam, dated Calingapatam,
6th February 1878, No. 43.

I HAVE the honor to forward, herewith for your sanction and countersignature, the Public Works Department estimates, amounting to Rupees 810, for repairs to the Police huts at Nowpada, and to inform you that an estimate, No. 6, for Rs. 205 for ordinary repairs as prepared by the Salt Superintendent was submitted to you and sanctioned in your letter, No. 3,407, dated 11th October 1877. But the Range Officer, Chicacole, having subsequently remarked on the dangerous state of the huts in his diary, an extract of which was sent me by the District Engineer (copy enclosed), I directed the Salt Superintendent to defer the work, as he mentioned that the sum sanctioned is quite insufficient to make the requisite repairs, and asked Mr. Leggatt to favor me with an estimate to remedy the defects noticed by him.

2. The Public Works Department estimate (Rupees 810) exceeds the amount (Rupees 205) originally sanctioned by Rupees 605, for which there are no funds available in the current official year's budget.

3. The huts in question are now in a most dilapidated state, and if steps are not taken to repair them immediately, some of them will fall down during the approaching monsoon and will have to be reconstructed afresh.

4. Under these circumstances I solicit that you will be pleased to obtain the sanction of the Board of Revenue for a special grant of Rupees 605 to meet the outlay proposed, and to request the District Engineer to have the work executed by his department as early as possible.

Supplement No. 14.

SUBMITTED to the Board of Revenue for sanction and allotment of funds.

RUSSELCONDAM,
16th February 1878.

(Signed) G. D. LEMAN,
Collector.

ENCLOSURES Nos. 1 and 2.—Estimates.

SUBMITTED for the orders of Government with the Board's recommendation that the work be executed by the Public Works Department. If the charge cannot be met from the Public Works Department Budget, transfer of funds may be ordered from the Salt grant.

GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

7th May 1878, No. 674.

Read the following paper:—

No. 81. Proceedings of the Board of Revenue, dated 9th April 1878, No. 992.

Read the following letter from A. S. NARAINA, Acting Deputy Collector in charge of Salt Department, Ganjam, to G. D. LEMAN, Esq., Collector of Ganjam, dated Calingapatam, 6th February 1878, No. 43:—

I HAVE the honor to forward herewith, for your sanction and countersignature, the Public Works Department estimates, amounting to Rupees 810, for repairs to the Police huts at Nowpada, and to inform you that an Estimate, No. 6, for Rs. 205 for ordinary repairs as prepared by the Salt Superintendent was submitted to you and sanctioned in your letter, No. 3,407, dated 11th October 1877. But the Range Officer, Chicacole, having subsequently remarked on the dangerous state of the huts in his diary, an extract of which was sent me by the District Engineer (copy enclosed), I directed the Salt Superintendent to defer the work, as he mentioned that the sum sanctioned is quite insufficient to make the requisite repairs, and asked Mr. Leggatt to favor me with an estimate to remedy the defects noticed by him.

2. The Public Works Department estimate (Rupees 810) exceeds the amount (Rupees 205) originally sanctioned by Rupees 605, for which there are no funds available in the current official year's budget.

3. The huts in question are now in a most dilapidated state, and if steps are not taken to repair them immediately, some of them will fall down during the approaching monsoon and will have to be reconstructed afresh.

4. Under these circumstances, I solicit that you will be pleased to obtain the sanction of the Board of Revenue for a special grant of Rupees 605 to meet the outlay proposed, and to request the District Engineer to have the work executed by his Department as early as possible.

Supplement No. 14.

SUBMITTED to the Board of Revenue for sanction and allotment of funds.

RUSSELCONDAH,
16th February 1878. (Signed) G. D. LEMAN,
Collector.

ENCLOSURES Nos. 1 and 2.—Estimates.

SUBMITTED for the orders of Government with the Board's recommendation that the work be executed by the Public Works Department. If the charge cannot be met from the Public Works Department Budget, transfer of funds may be ordered from the Salt grant.
