GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

24th May 1878, No. 2,281 W.

General.
Account.

Read the following paper:—

No. 290. From Major H. R. MEAD, R.E., District Engineer, South Arcot, to the Chief Engineer, Public Works Department, dated Cuddalore, 13th May 1878, No. 85.

YOUR No. 2,129 of 13th May 1878.

I have the honor to acknowledge the receipt of the above in which you inform me that Range Officer in this Presidency means the same as Executive Engineer in others. This meets the difficulty I have brought to notice as regards the preparation of contractors' bills in the Range Offices, but it does not allow bills to be prepared in Sub-officers' offices.

2. As Government have authorised Sub-officers in ranges to examine works to make final payments to contractors and to have a drawing account at treasuries, I must request that they be authorised to prepare contractors' bills in their offices in order that the useless delay of sending contractors to the Divisional or Range Office may be saved.

No. 291. ORDER THEREON, 24th May 1878, No. 2,281 W.

THE application of G.O., No. 480 W, dated 24th July 1877, will be extended to Sub-divisional Officers who will in future be authorised to prepare contractors' bills when requested to do so by the contractors concerned.
