With reference to G.O., No. 1,385 W., dated 18th March 1878, I have the honor to submit, for sanction and allotment of funds, a plan, specification report, and estimate, amounting to Rupees 520, for providing sky-lights for the Stationery Store-room attached to the Stamp Office, Madras.

From W. E. WRIGHT, Esq., Superintendent of Stationery, to the District Engineer, Presidency, dated 9th May 1878, No. 125.

I HAVE the honor to state, in reply to your memorandum, No. 660, dated 4th May 1878, forwarding copy of the endorsement of Government, No. 963, dated 3rd May 1878, that as the length of the store-room in question is about 100 feet I consider that one sky-light would be insufficient, and that all the three are necessary.

2. Extract of paragraph 2 of Mr. Greatorox's report recorded in Proceedings of Government, Financial Department, No. 645, dated 4th April 1878, is herewith annexed.

2. The statement of remains was forwarded to me by the Superintendent of Stationery on the 11th November 1877, but I was unable to work during the heavy rains in that month, there not being sufficient light on cloudy days, and even on bright ones I was obliged to use candles when examining the articles stored in the back part of the building.
