GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

28th May 1878, No. 2,314 W.

General.
Establishment.

Read the following paper:—

No. 317. From F. N. THOROWGOOD, Esq., Superintendent, Madras Harbour Works, to the Secretary to Government, Public Works Department, Buildings and Roads Branch, dated Coonoor, 20th April 1878.

I HAVE the honor to apply herewith for leave of absence from my work at Madras from March 18th, the date on which I left, to May 18th.

2. I regret extremely that I have to ask for leave during so long a period when I hoped that ten days would suffice, but the accompanying medical certificate from the District Medical Officer will show that some time is necessary for me to recover completely from a most unfortunate accident which happened to me while at Coonoor, and I trust that three weeks more will permit me to return to work.

3. I shall receive constant reports of the works from Mr. Beardmore, and shall advise him on all doubtful points; so it will not be as though I were away altogether.

4. I sincerely hope that this may meet with the sanction of His Grace the Governor in Council.

Note from the Examiner of Public Works Accounts, dated 17th May 1878.

No. 318. ORDER THEREON, 28th May 1878, No. 2,314 W.

MR. THOROWGOOD's absence from duty, without loss of pay, for two months, viz., from 18th March to 18th May 1878, is sanctioned.

Madras for a few days
for change of air in con-
sequence of temporary indis-
position due to exposure on
the works on duty. While
on these few days leave Mr.
Thoroughgood unfortunately
met with an accident which
necessitated his continued
absence under medical advice.

It is noted that in
Mr. Thoroughgood's application
for extension of the few days
leave granted to him he states
that during his constrained
absence he would receive
constant reports from his
assistant Mr. Beardmore
and advise him generally
as if on the work.

It is observed that
nothing whatever is stated
in Mr. Thoroughgood's terms
of engagement which ac-

company these papers) as to
his position in regards to
leave or other service rules,
the Chief Engineer believes
both his and his assistants
appointments to be quite
exceptional and not subject
to Departmental Rules,
and that leave can be
given to either of them, or
their similarly situated
subordinates, at the pleasure
of Government.
