General.
Establishment.

Read the following papers :—

No. 319. From Major H. W. WOOD, R.E., District Engineer, Vizagapatam, to the Chief Engineer, Public Works Department, through the Examiner of Public Works Accounts, Madras, dated Waltair, 12th April 1878, No. 98.

Mr. Executive Engineer Brown, on special duty in this district, was employed from the 1st to 21st February 1878 inclusive (Sundays excepted) in taking levels for the excavation of the swamp in the backwater of Vizagapatam.

2. I considered the circumstances of Mr. Brown's case as precisely analagous to those of Mr. Nordmann's when this officer was employed on the harbour project, and I therefore passed a claim for half travelling allowance to Mr. Brown in conformity with G.O., 10th November 1873, No. 2,733.

3. The Examiner, Public Works Accounts, has, however, disallowed the charge, and I have therefore the honor to submit it with a request that you will move Government to issue such orders as may seem fit.

E No. 12 VZ.

Forwarded to the Chief Engineer, Public Works Department, with a remark that the travelling allowance claim from 1st to 21st February 1878 has been disallowed by this office with reference to Madras Public Works Code IV, iii, paragraph 1, Rule I, Mr. P. H. Brown not having travelled more than five miles from his temporary head-quarters.

No. 320-A. From Major H. W. WOOD, R.E., District Engineer, Vizagapatam, to the Chief Engineer, Public Works Department, Madras, dated Waltair, 15th May 1878, No. 328.

In reply to your memorandum, No. 112 T, dated 8th May 1878, I have the honor to state that during the period Mr. Brown was employed on special duty at the Vizagapatam backwater his ordinary daily journey was four miles and back, as in the case of Mr. Executive Engineer Nordmann.

No. 320. Order thereon, 28th May 1878, No. 2,315 W.

As Mr. Brown did not travel, during the period in question, beyond a five mile radius from his head-quarters, travelling allowance is inadmissible.
