Head Quarters

Sir,

Astacumund

I have the honor to request
you will do me the favor to make
His Excellency the Commander
in Chief, to make an application
to Government for an early allot-
ment of funds for the work of,
providing the house lines at 67
(late at 207) as it with walls.

The estimate for the work
requires the sanction of Govern-
ment in Proceedings no. 525 M.
dated 3rd August 1877. C.P. M. 215
the words "as it" in the order
having by mistake been substituted
for "at 207 as it" as noted in Mysore
Deputy Quarter Master in the copy of
the proceedings.

At present there are the
only house lines in the station
not walled in, and as they are
situated in a high and exposed
position the high winds which
so constantly prevail at this

Station cause a great waste of
space to prevent which as
well as for appearance sake,
I consider it of importance that
proper walls should be pro-
vided as soon as possible.

I thank the house to be,

Sirs

Your most obedient servant
