GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

2,385

4th June 1878, No. 2,385 W.

General.

Establishment.

Read the following papers:—

No. 26. From Major L. CONWAY-GORDON, R.E., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, General Branch, dated Chepauk, 24th April 1878, No. 25 W.

I HAVE the honor to request that information may be given me as to which establishment of the executive branch of the department Mr. F. Dodcret, Mathematical Instrument-maker attached to the Public Works Workshops, is to be considered to belong.

2. At present Mr. F. Dodcret appears in the Public Works Establishment List under the head "*Office Establishment.*"—*Vide* page 56 of the Establishment List for 1st April 1877. This apparently is an error, as Mr. Dodcret's duties cannot in any way be considered as clerical, and moreover the pay he draws, Rupees 500 per mensem, is higher than the maximum salary of a Sub-Engineer, the highest grade of the "*Upper Subordinate Establishment.*"

3. The present information is required both for the purpose of correcting the Public Works Establishment List and also of regulating all questions concerning Mr. Dodcret's salary, leave, &c., which depend greatly on the view which Government may take regarding Mr. Dodcret's status in the department.

No. 26-A. From the same Officer, dated Chepauk, 23rd May 1878, No. 66 W.

WITH reference to your memorandum, No. 2,051, of 8th May 1878, I have the honor to state that the present salary, Rupees 500, drawn by Mr. Dodcret, which has been specially sanctioned by Government, will not, I think, be effected by his being classed as an Upper Subordinate. He might be classed as a Sub-Engineer, 1st Grade, and the difference of Rupees 100 between his present pay and that admissible to a Sub-Engineer, 1st Grade, might be regarded as a personal allowance. As a member of the Upper Subordinate Establishment, Mr. Dodcret will be subject to the Leave Rules contained in Supplement F of Civil Leave Code. It will be opposed to the existing rules to appoint Mr. Dodcret in a grade by himself not recognized in the department.—*Vide* Public Works Code I. II. 24.

No. 27. ORDER THEREON, 4th June 1878, No. 2,385 W.

MR. DODERET may be classed with the Upper Subordinate Establishment. Mr. Dodcret holds a special appointment, the pay of which has not been fixed with reference to any scale.

SUCH APPARENTLY IS AN ERROR, AS MR. FORD, C.I.E. CANNOT IN ANY WAY BE CONSIDERED AS CLERICAL, AND MONTHLY IN THE PAY OF RS. 1,750, PER MENSEM, TO HIGHER THAN THE MAXIMUM SALARY OF A SUB-ENGINEER, THE HIGHEST GRADE OF THE 'SUBORDINATE ESTABLISHMENT'.

Inst it is complicated and of no practical utility.

The fact is that Br Waderet is a special appointment made irrespective of Public Works grades. It cannot therefore be shaped into conformity with these grades.

Br Waderet's position as regards leave will not be affected. He comes at present under Supplement F^n of the Civil Leave Code.
