From Lieutenant-Colonel J. O. HASTED, R.E., Superintending Engineer, Kistna,
to the Chief Engineer for Irrigation, dated Masulipatam, 18th May 1878,
No. 31.

Is forwarding the accompanying disallowance lists, as per margin, I have the honor to observe that the Examiner of Public Works Accounts objects to pass the travelling allowance claimed on behalf of Mr. R. Mills, a Bengal Assistant Engineer, for November, December 1877, and January 1878, on the ground that that officer being on survey duties some temporary headquarters should be fixed—vide Standing Order No. 6 of 1871, and that the travelling allowance rules do not provide for the admission of such claims unless special sanction of Government is obtained.

2. Mr. Mills was, during those months, employed on surveying and levelling and preparing plans of land taken up for the canal which was undertaken for the relief of famine labor and was continually on the move; having nothing but travelling baggage with him it was unnecessary for him to have a headquarters.

3. Under these circumstances I have the honor to request the necessary authority to Examiner's passing the claim as special case.

2. The undersigned considers that Bezwada should be deemed to be Mr. Mills' headquarters.
